A word from the editorial team,

“

In this month of August, we wish our home nation a very Blessed 45th birthday!

This has also been a busy month so far, with fellowship dinners, our bioethics seminar on Heart Issues, Hard Decisions - and the best part? We're not halfway through the month yet! So this month's bumper issue is meant to bring you up to date on what you've been missing out on!

Coming up for the rest of the month – our regular BYOB session continues, along with our monthly CMG mass and the ongoing Gift of Christian Ethics talk... In addition, we have the Social Mission Conference 2010 lined up, with our AGM just around the corner in October!

So, if you haven't been down to any of these events recently - I can only say, "where have you been???" We'd love to see you at our upcoming exciting events!

;-)
