## A word from the editorial team,

“

*The month of May has truly gone by in a flash and our newly-minted HOs are now 1 month old! As promised before, we have a more detailed account of what happened during the HO tea on 1<sup>st</sup> May.*

*We welcomed the new batch of house officers into The Catholic Medical Guild with a simple tea reception at Mount Alvernia Hospital on 1<sup>st</sup> of May. There was indeed no better day than the 1<sup>st</sup> of May to celebrate their formal entry into the medical profession as we marked the Feast of St Joseph the worker..... <click [here](#) for the full article>*

*The month of June also brings with it, Father's Day! After celebrating Mother's Day in the month of May, let us not forget about our stoic and steady Father's, who quietly love us in their own kind ways. Though they may not always say much or act openly affectionate, they are always steady rocks who stay with us through thick and thin. Let us remember them daily and especially on the 3<sup>rd</sup> Sunday of June!*

*Wishing all readers a sacred and pleasant month of June!*
