A word from the editorial team,

“

Ash Wednesday has just passed us by, and soon Holy Week will be upon us. Indeed, this is the month for prayer - and I'm sure we have many people / things to pray for...

We keep in our prayers...

- the countless people who have lost their lives in the earthquake, tsunami and nuclear disaster in Japan that is still ongoing;
- the survivors who are facing challenges of a nuclear fallout, harsh winter conditions and lack of food and shelter
- the many innocent killed in the bloodshed in unstable countries like Libya

... and for all these and more, we pray with the trust that the Lord knows what is best for us.

Wishing one and all a prayerful Lent ahead!

”

February 2010 – CNY Fellowship Gathering

Our 1st fellowship gathering for 2011 was held at Victor's place during the festive Chinese New Year period! If you've missed out on the good stuff, here are some photos to whet your appetite.. =)

The early birds turned up in droves, offering assistance in the kitchen - from shredding the carrots and cucumbers, to frying the beehoon, and even mixing the penang rojak!

As everyone started trickling in, the dinner got underway! With a steamboat in the dining area, and two bbq hot plates in the balcony, there was plenty of food for everyone!

For that one evening, all the worries of work and school seem to matter little, as we caught up with others we had yet to see for a while...

... and as dinner gradually gave way to dessert, the steamboat and hot plates gave way to the Xbox Kinect!

Some post-dinner physical exercise probably wasn't in the best interests, but

everyone couldn't wait to try out the new Kinect games!

A big thanks to Victor for opening up his house! And to everyone for an enjoyable evening! =)
